CELEBRATION OF LIFE

Allow us to honour your loved one with a Celebration of Life. Our team understands the pressure and stress of last-minute catering arrangements and can assist your event with compassion and respect.

With exclusive use of our venue, we can offer an intimate space for smaller groups, and up to larger gatherings of 200. Guests have the ability to share photo and video memories using our projectors and audio system, for family and friends to reflect, share stories and celebrate the life of a loved one.

Our team can work alongside your funeral service provider to host a full funeral service at our venue, with hearse access available to our Terrace for outdoor services, or inside for a unique setting to honour and celebrate your loved one.
